Reference: Amendment to 30 Day Post-General Report (10/17/96-11/25/96)

Dear Ms. Tiell:

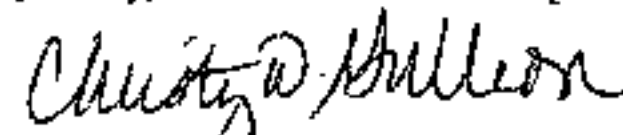

This letter and attachments are in response to your notice that the Adam Smith for Congress Committee filed the 30 Day Post-General Report incorrectly. Specifically, our figures for Year-to-Date totals did not add correctly from our October Quarterly Report, and we failed to report one 48 hour notice.

We have corrected the figures and are submitting an amended 30 Day Post-General Report. Because these figures were incorrect on the Post-General Report, we are also amending our January 31 Year End Report to reflect the correct figures (see enclosed).

It does appear that we failed to file the required 48 hour notice for one (1) contribution made on October 17, 1996. This contribution was made by Cheryl Pope, a homemaker. Since all our other \$1,000 contributions were reported correctly and on time, I can assure you that this one error was just an oversight. We will take appropriate action to ensure that this does not happen again in the future.

Thank you for the opportunity to correct our unintentional mistakes.

Sincerely,

Christy D. Gullion
Treasurer
